Fields

All games will be played on Jessup Fields.

Players

- A full team consists of ten players and teams can begin and end with as few as eight
- For the open division, there is no distinction for the number of males and females needed.
- If more than ten players are present for the game, everyone can kick but only ten people can play in the field at a time.

General Rules

- The game will consist of 5 innings or a 35 minute time limit (no new inning after 35 minutes of play).
- Home/Visitor will be determined by a coin toss.
- While at bat, each team shall get three outs. Once the defensive team records three outs, the teams shall switch sides with the team at kick going to play the field and the team in the field coming up to kick. In addition, if a team scores eight runs in a half-inning, the half-inning shall be over and the two sides shall switch.
- There are no regulations on defensive alignment.
- The team at kick will provide the pitcher. Each batter will receive one pitch, unless it is fouled off, in which case the kicker will receive one more pitch. If fouled off again, the kicker shall be declared out.
- A player will be ruled out if they kick two fouls, get hit by the ball from the shoulders or below before reaching the base, they are forced out such as in softball, a pop fly is caught, or if the base runner is off of the base before the ball is kicked. EXCEPTION: A player who is not in a regular standing/running position and is hit in the face/head will be ruled out! In other words if a player is bending down or falling down to avoid getting hit, and they are hit in the face/head, they will still be declared out.
- Leading off and/or stealing bases is not allowed.
- There is no infield fly rule.

- If a team is ahead by 15 runs after 3 innings or 9 runs after 4 innings, the game shall end and the team ahead will be declared the winner.

*All rules not specifically covered in this document will be enforced as ASA Softball Rules.
