General Rules

- The tournament format is a 2-person, 9-hole, best ball. Each golfer must play the entire hole using their own ball. Upon both players completing the hole, each player should record their individual score. The lower of the two scores will count towards the team total.
- Winter rules apply **in the fairway only**. You may mark your ball, pick it up, clean it, and replace it within 12” of the mark (but no closer to the hole).
- To keep play moving quickly, a ten-stroke limit applies to every hole. If a player reaches the maximum strokes on a hole, that player **must** pick-up his/her ball.
- There are no “gimmies”. Each player must finish the hole (unless he/she reaches ten strokes).
- Special awards and points will be given for longest drive (Hole 1) and closest to the pin (Hole 2).
- If there is a question as to a rule or penalty, play the rest of the hole using two balls from the spot of the infraction. Then ask the pro for the ruling. (Reminder; two stroke penalty for lost or out-of-bounds ball; one stroke penalty for an unplayable lie.)
- Men may tee off from white or blue markers; women may tee from red, white, or blue.
- After finishing nine holes, each team should turn their scorecard in to the pro shop. You are welcomed to play the back nine at no additional cost.

*All rules not specifically covered in this document will be enforced as USGA Golf Rules.
All rules are subject to change by the Intramural Sports professional staff.*
